Dear Attorneys-General,

I am hopeful that your principled stands on making the punishment fit the crimes committed by the principals of Microsoft will succeed. I want to encourage you to stand firm for justice for all of us who have suffered from the stifling of innovation and the low quality of computer operating systems pushed upon us.

Justice requires that you succeed.

Thanks, Al Howard, 504 HWY 169S, Seale, Al 36875
